Making It Work

LINE YOUR PAIL AND CART: To help keep your pail and cart clean, line the inside with a few sheets of newspaper. If you want, you can buy PAPER liner bags for the pail or cart at your local hardware store.

LATCH YOUR LID: Please keep the lid on your cart securely latched to keep racoons and other critters away, and minimize odour problems. If possible, keep your GreenBin in your garage or house."

AT THE CURB: Place your cart at the curbside by 7:00 am on the day of collection.

YARD WASTE: This program is designed for household organics, *not yard waste.*

PLEASE – NO brush or carts full of grass clippings!
